

Boarding Packet

To our valued clients,

The staff and doctors at Woodland Veterinary Hospital and Pet Hotel would like to take a moment to thank you for choosing to board your pet with us. In an effort to make the check-in process easier, please fill out the enclosed items and bring them with you on the day of check-in. Also, if your pet is vaccinated elsewhere, please bring in a current copy of your pet's vaccine records. Dogs must be current on Influenza, Bordetella, DHPP, and Rabies. Cats must be current on FVRCP and Rabies. We recommend pets receive these vaccines at least 2 weeks prior to boarding for full immunity.
